Sir:

An interview was held on July 1, 2008 between Applicants' representative Theodore M. Magee and Examiner Han. Examiner Han indicated that the § 101 rejection of claims 12-19 could be overcome by amending the Specification to delete the phrase "or any other medium which can be used to store the desired information which can be accessed by computer 100" from the end of paragraph 17 and by amending paragraph 19 to remove the phrase "or other optical media" and the phrase "and the like." Applicants' representative agreed to having the Examiner make such amendments through an Examiner's Amendment with the understanding that this would put the case in condition for allowance.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
